Karate Gala MASTERS OF KYOKUSHIN

Email coach :

Phone number coach :

How many matches have you participated in in total and how many times did you reach a podium place? (note : one tournament can consists of multiple matches)

Number of matches :

Number of podium places :

Possible 2nd match

The organization offers the possibility to put together a 2nd match on the evening itself. This depends on the course of the first match and on the options in the schedule of the karate gala. Indicate below whether you are open to a possible 2nd match. You don't commit to anything. Only on the evening itself and in good consultation with all parties involved, it can eventually be decided to do a 2nd match.

I am willing to a 2nd party YES / NO (cross out).

Please fill out the registration form completely and email this to info@karate-ijlst.nl.

We only take into consideration registrations received from dojo's known at the organization. Registrations which are incomplete, unclear or too late will not be taken into consideration. Final date for registration is April 1st 2025. You will receive a confirmation, once we have received your complete registration form.

Please note:

A registration is not a guarantee of participation on the "Masters of Kyokushin" Karate gala. Based on all received registrations, the organization will do the match-making. This is done in consultation with the coaches involved. Only after approval from all parties, the match-making is fixed and confirmed.
